## IMPORTANT REMINDERS

- Take a photo of your schedule to have an easy copy to share with family and reference on your phone. A digital copy of the schedule will also be available on the pageant website.
- Do not leave children unattended and do not leave any personal items unattended. NAM is not responsible for lost or stolen items. Only contestants and one female parent/guardian are allowed in the Dressing Room and hot appliances (curling irons, flat irons, clothing steamers, etc.) are not allowed in the dressing room. NAM does not provide mirrors and all items should be labeled clearly. The Dressing Room will be open whenever an on-stage competition is underway and is designed for quick changes. The Dressing Room will remain unlocked and unattended. Photos and videos are not permitted in the Dressing Room at any time.
- If lost items are found by our staff, they will either be brought to the NAM Boutique or to the Hotel Front Desk/Security.
- No one is allowed backstage or onstage unless permitted by a NAM staff member. Watch your step at all times, especially during quick changes when backstage, in darker areas, towards the front of the stage where there may be cords and in the aisles where guests may have items or small children may be sitting on the floor.
- The Production Outfit is a NAM t-shirt that is picked up after completing pageant check-in. Contestants in the PR, JP, and PT age divisions will wear jeans and white tennis shoes of their own with their t-shirt. JT, TN, MS, and EL will wear jeans and any shoes of their choice that are not flip flops. You will wear this for your Finale before changing into your Formal Gown.
- The only event that requires a ticket is the Finale. Everyone over the age of three who is not a contestant must have a ticket to that Finale to attend. Tickets can be purchased at the NAM Boutique while supplies last. Escorts are NOT needed on-stage for the Finale, therefore they will need a ticket for the Finale if they plan to attend. Escorts are only needed for PR, JP, PT, JT, and TN age divisions during their Formal Wear competition.
- Photography with flash and any video recording during competitions is not permitted, including cell phones. Professional photos and videos are available to purchase from our approved vendors.
- Contestants wear their contestant number badge for all competitions and it is given to them at Pageant Check-In. For all competitions, contestants will wear their number on their back below their hair so it is not covered. The only event they will not wear it for is the optional Top Model competition if they are participating in that optional. They will wear their number badge on their front right hip for the Personal Introduction and Interview competitions. If you lose your number badge, a replacement can be purchased from the pageant boutique.
